Oak Haven Community Care Center of Center Point has received the 2010 Louisiana Hospital Capstone Quality Award, presented by eQHealth Solutions, the Medicare Quality Improvement Organization for Louisiana.

With this award, Oak Haven has been recognized for improving the quality of health care given to their residents. The clinical topics measured for this award have been designated as national health priorities by CMS.

eQHealth Solutions honors extraordinary nursing homes for their achievements in improving the quality of resident care.

The Capstone Quality Award is based on percentage improvement in reducing restraint use and reducing pressure ulcer incidence.

Carolyn Jeansonne, RN, and Oak Haven administrator said, "The staff of Oak Haven Community Care Center is dedicated to providing the very best in resident care and our efforts have been enhanced through our quality improvement partnerships with eQHealth Solutions. We are extremely proud to be a recipient of this distinguished award."
