

The Home Center brings home award

July 3, 2011

HOUMA — The Home Center at Thibodaux Regional Medical Center is a recipient of the 2010 Louisiana Home Health Capstone Quality Award.

The Thibodaux home-care agency is one of only 17 in the state to receive the award given out by eQHealth Solutions, which works to improve Medicare outcomes in the state. It recognizes agencies that have done well in preventing avoidable hospitalizations.

“As we all struggle to improve our state's poor health statistics and poor health outcomes, progress is being made,” said Gary Curtis, CEO of eQHealth Solutions. “Health care providers in Louisiana have committed to reducing the rates of infections, pressure ulcers, surgical injuries, unnecessary hospital readmissions and many other key measures of health care quality.”
